Dear Sir:

On February 27, 2008, a first reply to the final Office Action was submitted via EFS. An advisory action was received by the undersigned on April 17, 2008. On April 28, 2008, a second reply to the final Office Action was submitted. This second reply placed the application in condition for allowance by rewriting allowable claims, and cancelling rejected claims or depending them from an allowable claim.

In view of the statutory deadline of May 27, 2008 for filing a notice of appeal or taking other appropriate action, voice mail messages were left for the Examiner on May 23 and 27, 2008, but no answer was ever received from the Examiner. On May 27, 2008 a call was placed to the Examiner's Supervisory Examiner who indicated he believed the Examiner would be in his office this afternoon and he left a message for the Examiner to call applicant's representative.

As no call was received from the Examiner confirming the application is in condition for allowance, applicant hereby appeals to the Board of Patent Appeals and Interferences from the decision dated November 27, 2007, of the Primary Examiner finally rejecting claims 1, 9-11 and 14-21, in the event the application is found not in condition for allowance upon consideration of the second reply to the final Office Action.
